

INVITATION TO HOST AN INTERNATIONAL LEGAL DINNER – NYSBA GLOBAL CONFERENCE IN HAMBURG

We are pleased to share that the New York State Bar Association (NYSBA) International Section will hold its 2025 Global Conference in Hamburg, from October 15 to 17, bringing together leading lawyers, in-house counsels, and legal scholars from around the world.

As part of this year's social program, we are excited to introduce the first-ever "Legal Dine-Around" evening on Thursday, October 16. For this special new tradition, select Hamburg-based firms will host small groups of international delegates for dinner—an intimate and informal opportunity to build global relationships. This is a unique opportunity to:

- Showcase your firm to a global legal audience
- Foster meaningful cross-border connections
- Engage in informal discussions on shared legal interests

Each host firm will welcome approximately [8–12] guests for a relaxed, private dinner at a local restaurant or your office, depending on your preference. NYSBA will coordinate logistics and guest assignments to ensure a diverse and engaging group at each table.

While this is the first Legal Dine-Around as part of the Global Conference, the event itself has a rich tradition, having taken place for over 35 years in some of the world's most beautiful and dynamic cities — including Paris, Rio de Janeiro, Rome, Vienna, Tokyo, Cape Town, and Sydney. The 2025 Global Conference in Hamburg is expected to welcome between 100 and 200 participants, and the Legal Dine-Around aims to offer them a warm, memorable evening of hospitality and connection—building on the legacy of NYSBA's global presence with a fresh and personal touch.

If your firm would be interested in participating as a host, we would be delighted to hear from you.

Warm regards,

Conference Co-Chairs:

Torsten Kracht, Hunton Andrews Kurth LLP, Washington, D.C., U.S.A.

Carlos Ramos-Mrosovsky, BakerHostetler LLP, New York, U.S.A.
